

"Don't Run in the Hall"

Write your own verse! What's something you would like to tell your friends NOT to do, OR ELSE??? Use the form of the lyrics of this song to tell about it.

Here's a silly example:

*Don't play with your food
Your parents will feud
You won't get dessert
And that will hurt!
I'm down on my knees
Beggin' you PLEASE!
Don't play with your food!*

Now you try it!

Don't _____

You'll _____

And _____

And _____

I'm down on my knees!
Beggin' you PLEASE!

Don't _____
