

How Well Do You Know Your Best Friend?

Print out two copies of this page. Give one to your best friend and ask him or her to go into another room. Then write the answers to the following questions about your best friend, while he or she answers the same questions about you. (No peeking!) When you've both finished, show each other your answers. Which one of you got the most right?

1. What's your best friend's LEAST favorite food?

2. What's your best friend's favorite thing to do on a rainy day?

3. How does your best friend like his or her eggs; scrambled, sunny side up, over easy? With ketchup or without?

4. What's your best friend's favorite movie?

5. Imagine that you are over at your best friend's house to play and suddenly there is a power failure. No TV, no Play Station, no radio, no stereo! What would your friend recommend that you do now?

Your score:

- 5 correct Congratulations! You know your friend perfectly!
- 4 correct Good job! You know your friend pretty well.
- 3 correct Not bad. You got more questions right than wrong...
- 2 correct Hmmm, try paying more attention to your friend when you are together!
- 1 correct Ouch! Are you SURE you have interviewed your **best** friend?
